

For Immediate Release

November 1, 2009

Fort Worth, TX.....

MSE Worldwide, LLC and ***SportLock, LLC*** are very pleased and excited to announce a Joint Venture between the two companies.

MSE Worldwide (www.mseworldwide.com) manufactures Life Jacket for Firearms, locking firearm safety cases, and Seeker[®] Security Metal Detectors. ***SportLock, LLC*** (www.sportlockllc.com) manufactures hard gun & bow cases and small electronic safes. “Our product lines are very complementary and we are very excited about being able to market them together,” said representatives from the two companies.

Alan Teichelman and Clyde Caceres of ***MSE Worldwide*** will lead the marketing effort for the Law Enforcement, Military, and Security markets, and Bob Kufahl, General Manager at ***SportLock, LLC***, will spearhead the marketing of both company’s products to the Outdoor market.
